

Join the WAVE: Virtual Community Engagement FAQ

Western-Washtenaw Area Value Express (WAVE) and St. Joe's Chelsea are looking for your feedback on transportation options in Stockbridge, Manchester and Jackson Road.

Join us via Zoom, phone or email to share your thoughts and hear recommendations on the current services. Please see Frequently Asked Questions (FAQ) about the session below:

WHO:

For residents in the Stockbridge and Manchester community areas and WAVE Connector bus riders traveling to or from Meijer and Menards.

Open to the general public in western Washtenaw County who are transit dependent or interested in WAVE bus services.

WHAT:

WAVE is looking for your feedback on a few potential bus service changes:

- Stockbridge and Manchester service adjustments
 - Install larger bus stop signs
 - Add bus stops downtown and at parks in route
 - Stockbridge add bus stop on S. Clinton St. at Lakelands Trail State Park
 - Stockbridge add bus stop on S. Clinton St. at Elizabeth St.
 - Manchester add bus stop on Ann Arbor St. at Chi-Bro Park
 - Manchester add bus stop on E. Main St. at Adrian St.
 - Extend pick-ups and drop-offs from a 3/4-mile to a 1, 2 or 3 mile distance of downtowns
 - Operate 5 days per week with door-to-door bus services for both towns in place of fixed schedules
 - 3 days per week for Stockbridge and 2 days per week for Manchester
- Connector corridor service adjustments
 - Serve Meijer directly on all trips east-bound and west-bound
 - Serve Menards upon request west-bound and directly with every trip east-bound
 - Add flex bus stops on Jackson Road between Wagner and Zeeb Roads, posting WAVE signs next to where TheRide poles are located

WHY:

We are engaging the community because we value your opinions and would like your input on how to improve the current WAVE service.

Our goal is to strengthen supportive transit for community members traveling within and around Stockbridge, Manchester and connections along the Meijer-Menards stretch of Jackson Road.

These service modifications would improve how WAVE brings people to Chelsea, Dexter and Ann Arbor, while providing access to essential destinations such as, health clinics and grocery markets.
